### NEW-ON LINE LUNCH ORDERING SYSTEM!

Hopefully, you have all received the information regarding the new online Lunch Ordering System.

It is a "real time" system so you can use it to add or change lunch orders at any time, day or night (until it is closed for ordering).

In addition, the system will continually calculate your current balance so you'll always know how much you owe (or how much credit you have with the school, in case you cancel an order that you've paid for).

The is very simple to use, and I encourage you to go to: <http://ccs.asionyx.com>

- Click on the "Reset Password" button.
- Enter your email address, which is where the program will send your temporary password.
- Use your email address and the temporary password and log in to the system and create a new password.
- You will always have the option of resetting a password if you forget it.

If you have any questions or comments about the program you can send them to [support@asionyx.com](mailto:support@asionyx.com)

## UPCOMING EVENTS !

### READY FOR SOME SPRING CLEANING?

As many of you know San Tan Christian Academy (6th, 7th, and 8th grade) will be opening it's doors this Fall on the CCS Campus.

To assist with start up costs, STCA is participating in a cul-de-sac garage sale and CCS families are invited to contribute any unwanted treasures to assist in donating any proceeds to STCA.

The sale will be on Saturday, March 6th in Dobson Ranch (Alma School/Baseline). If you have any unwanted treasures that you feel would sell at a garage sale and you would like to donate, please contact Sally Henry at [sallyh@msn.com](mailto:sallyh@msn.com) or 480-720-4904.

**Items can be brought to CCS on Friday March 5th between 8:00a-8:30a and 2:30-3:30p.** It would also be extremely helpful if you can pre-price your items. Make sure to put STCA on the tag so we know the proceeds go to the school.

Thank you for your support! Feel free to solicit items from family and friends.

### FROZEN FRIDAY

- Frozen Friday is Friday, March 12!
- Kona Ice Truck will be on site
- Want to make a suggestion on what treat we should offer- send us a note at [ptf4ccs@gmail.com](mailto:ptf4ccs@gmail.com)
