PTF Calendar

- Apr 19 Florindino's
- Apr 29 Frozen Friday
- 1st May Teacher appreciation
- May 19 Dilly's
- May 27 Frozen Friday and last day of school (early dismissal)

Teacher Appreciation Week

- Chaired by Jennifer Murphree
- Most appreciated thing was to have moms come in and cover lunch period so the teachers can get together. Doesn't work for pre-school due to state requirements (both teachers can't leave at the same time)
- Notice it's "staff" appreciation, not just teachers
- Delivered lunch like during conferences was good
- Parent volunteers for recess duty?

Officer nominations

- Trent is 2nd year as secretary and is technically supposed to step down according to bylaws
- No nominations
- In the past, PTF have gone beyond the 2yr limit to maintain their roles if needed
- Need to get official acceptance from existing offices that they're planning on retaining their current positions

Funding requests

- Projectors for classrooms (rather than SmartBoards suggested in previous years)
 - 6 classrooms
 - Best case scenario is to have one in each classroom (each class already has a computer)
 - What about Visualizers? Contains a camera display books, papers, etc.
 - Costco has them from \$350-\$999
- Suggestion made to look for potential items at discount from Heritage Christian which is closing.
- Expand computer lab? Currently have 15 computers; could add another 5. Should consider upgrading also.

No new business topics brought up.
